

Our Recommended Partners

*a choice list of talented companies and individuals
assuring you total party success!*

As experts in full-service event planning, Regal Caterers offers the following recommendations of our first-rate partners who work with us on a steady basis and have intimate knowledge of our unique venues. All of our partners have met and exceeded our criteria for event excellence time and time again. Each will not only work with you to understand the intricacies of your party needs, but they know and understand our needs and the needs of each of our individual locations as well. They truly are the best at what they do, offering absolute reliability, creativity and professionalism...

Denisimo Photography and Video

As a team of artists Denisimo approaches the industry with true entrepreneurship and its clients with innovation. Denisimo presents photography that is recognized worldwide for its uniqueness, bringing a lifestyle feel of photojournalism with classic portraiture while adapting to your event unobtrusively. Striving to meet your visual intent in a boutique fashion allows for the personalization they create; delivering a high end product that is worth your investment. "Being partnered with Regal Caterers has been a great privilege"- Denis Leon, President

Fusion Lighting

Lighting is the final piece of the party puzzle. From subtle bandstand lighting to more elaborate, high-tech dance floor special effects, Fusion Lighting can custom-design a lighting package that is right for any occasion. Theatrical and decorative lighting can bring your party vision to life. Fusion's understanding of floral pinspotting, architectural uplighting and stretch fabric lighting, combined with an inventory of front and rear projection screens, will make your party an event to remember.
